Lonesome cowboy
G
Lonesome cowboy
D Bm Bm7 E A
You're a long long way from home

D
I'm a poor lonesome cowboy
I'm a long long way from home
F#m
And this poor lonesome cowboy
Em A
Has got a long long way to roam
D D7
Over mountains and over prairies
G
From dawn 'til day is done
Bm F#m
My horse and me keep ridin'
G A D
Into the settin' sun

There are guys who just figure
Every problem with a gun
And a finger on the trigger
Can be dangerous hurt someone

But problems solve much better
By keeping calm and cool
My horse and me keep ridin'
I ain't nobody's fool

I'm a poor lonesome cowboy
But it doesn't bother me
'Cause this poor lonesome cowboy
Prefers a horse for company

Got nothing against women
But I wave them all goodbye
My horse and me keep riding
We don't like being tied
