

C5 G5 F5 G5
Got up on the wrong side of life today, yeah
C5 G5 F5 G5
Crashed the car and I'm gonna be really late
C5 G5 F5 G5
My phone doesn't work 'cause it's out of range
C5 G5 F5 G5
Looks like it's just one of those kind of days
C5 G5 F5 G5
You can't kick me down, I'm already on the ground
C5 G5 F5 G5
No you can't, 'cause you couldn't catch me anyhow
C5 G5 F5 G5
Blue skies but the sun isn't coming out, no
C5 G5 F5 G5
Today it's like I'm under a heavy cloud

C5 G5 F5
And I.....
G5 C5 G5 F5
feel so alive
G5 C5 G5 F5
I can't help myself
G5 C5 G5 F5 G5
don't you realize

Chorus:

A5 C5
I just wanna scream and lose control
F5
Throw my hands up and let it go
A5 C5
Forget about everything and runaway, yeah
F5
I just want to fall and lose myself
A5 C5
Laughing so hard it hurts like hell
F5
Forget about everything and runaway, yeah

Break: C5 G5 F5 G5

C5 G5 F5 G5
So so is how I'm doing, if you're wondering
C5 G5 F5 G5
I'm in a fight with the world but I'm winning
C5 G5 F5 G5
So stay there, come closer, it's at your own risk
C5 G5 F5 G5
Yeah you know how it is, life can be a bitch

C5 G5 F5

But I

G5 C5 G5 F5

I feel so alive

G5 C5 G5 F5

I can't help myself

G5 C5 G5 F5 G5

don't you realize

A5 C5

I just wanna scream and lose control

F5

Throw my hands up and let it go

A5 C5

Forget about everything and runaway, yeah

F5

I just want to fall and lose myself

A5 C5

Laughing so hard it hurts like hell

F5

Forget about everything and runaway, yeah

And so on.....
