

*Em C G D*

*C G*  
I'm ready to go, I'm ready to climb,  
*D*  
I've quietly been reading your mind.  
*C G*  
I don't need a thing, I'm writing a book,  
*D*  
The story's really got me hooked.

*Em C*  
It's amazing the changes I've been feeling,  
*G D*  
I'm dreaming about seeing the world with someone like you.  
*Em C G*  
I've been stumbling, shaking and my whole world's breaking,  
*D*  
I wanna put it together!

*Em C*  
And if we run away, run away now  
*G D*  
We won't ever look back.  
*Em C*  
And if we run away, run away now  
*G D*  
We won't ever look back.  
*Em C G D*  
We'll run, run, run away, run, run, run away, run, run, run away

*C G*  
I'll follow the wind, I'm up for a spin,  
*D*  
Feel perfect in the arms I'm in.  
*C G*  
And we're takin flight, the whole world is right,  
*D*  
I hope we're in the air all night!

*Em C*  
It's amazing the changes I've been feeling,  
*G D*  
I'm dreaming about seeing the world with someone like you.  
*Em C G*  
I've been stumbling, shaking and my whole world's breaking,  
*D*  
I wanna put it together!

*Em C*  
And if we run away, run away now  
*G D*  
We won't ever look back.  
*Em C*

And if we run away, run away now

*G* *D*

We won't ever look back.

*Em* *C* *G* *D*

We'll run, run, run away, run, run, run away, run, run, run away

*C* *G*

Even mountains high, rivers far and wide, (We'll run away)

*D*

can cross it all with you by my side. (We'll run away)

*C* *G*

Every step I take, we're moving every day!
