Chorus x 4

verse 1:

i don't want you  
to give it all up  
and leave your own life collecting dust  
and i don't want you to feel sorry for me  
you never gave us a chance to be  
and i don't need you  
to be by my side  
to tell me that everything's alright  
i just wanted you to tell me the truth  
you know i'd do that for you.

chorus: why are you running away?

verse 2:

cause i did enough  
to show you that i  
was willing to give and sacrifice  
and i was the one who was lifting you up  
when you thought your life had had enough  
and when i get close  
you turn away  
there's nothing that i can do or say  
so now i need you  
to tell me the truth  
you know i'd do that for you

chorus: why are you running away?

bridge:

is it me? is it you? nothing that, i can do,  
to make you, change your mind  
is it me? is it you? nothing that, i can do  
is it a, waste of time?

last chorus:

so why are you running away?  
(what is it i have to say)  
why are you running away?  
(to make you admit you're afraid?)  
why are you running away?
