VERSE 1:
Am E G
After all these implements and texts designed by
D C D
intellects we're vexed to find evidently there's  G
still so much that hides.
Am E G
And though the saints dub us divine in ancient
D C D
fading lines their sentiment is just as hard to
G
pluck from the vine.
CHORUS:
F D
I'll try hard not to pretend
F D E
allow myself no mock defense as I
step into the night.
VEDCE 2.
