Α

Do you know where your heart is?

F

Do you think you can find it?

F#m

Or did you trade it for something

D

Somewhere better just to have it?

Α

Do you know where your love is?

Ε

Do you think that you lost it?

F#m

You felt it so strong, but

D

Nothing's turned out how you wanted

Α

Well, bless my soul

Ε

You're a lonely soul

F#m

Cause you won't let go

 \Box

Of anything you hold

Α

Well, all I need

F

Is the air I breathe

F#m

And a place to rest

D

My head

Just follow the same chord progression!

Do you know what your fate is? And are you trying to shake it? You're doing your best and Your best look You're praying that you make it

Well, bless my soul You're a lonely soul Cause you won't let go Of anything you hold

Well, all I need Is the air I breathe And a place to rest My head I said I all I need Is the air I breathe And a place to rest My head

Do you think you can find it?
Do you think you can find it?
Do you think you can find it?
Better than you had it
Do you think you can find it?
Do you think you can find it?
Do you think you can find it?
Yeah, better than you had it

I said all I need Is the air I breathe And a place to rest My head

I said all I need Is the air I breathe And a place to rest My head

Whenever the end is Do you think you can see it? Well, until you get there Go on, go ahead and scream it Just say it
