Am
You are sweet
But I'm still a bit naive with my heart
        Am
When you're close I don't breathe
        Am
I can't find the words to speak
    G
I feel sparks
        Dm
But I don't wanna be into you
If you are not looking for true love, oh oh
No I don't wanna start seeing you
Am
If I can't be your only one
                 Am
So tell me when it's not alright
         C
When it's not ok
      G
Will you try to make me feel better?
Will you say alright? (say alright)
Will you say ok? (Say ok)
       G
Will you stick with me through whatever?
     Dm
Or run away
  G
Say Ok.
Am
                                          G
When you call I don't know if I should pick up the phone every time
I'm not like all my friends who keep calling up the boys, I'm so shy
But I don't wanna be into you
Am
If you don't treat me the right way
       Dm
See I can only start seeing you
If you can make my heart feel safe (feel safe)
