

Dm *F* *G*
Seize the day or die regretting the time you lost
F *A#*
It's empty and cold without you here,
C *Dm*
Too many people to ache over
G *C*
I see my vision burn,
F
I feel my memories fade with time
C *Dm*
But I'm too young to worry
G *C*
These streets we travel on
F
Will undergo our same lost past
Dm *G* *F*
I found you here, now please just stay for a while
C *Dm*
I can move on with you around
G *F* *C*
I hand you my mortal life, but will it be forever?
Dm *G* *F*
I'd do anything for a smile,
C *Dm*
Holding you till our time is done
G
We both know the day will come
F *C*
But I don't want to leave you
G *C*
I see my vision burn,
F
I feel my memories fade with time
C *Dm*
But I'm too young to worry
A#
A melody, a memory, or just one picture
Dm *F* *G*
Seize the day or die regretting the time you lost
F *A#*
It's empty and cold without you here,
C *Dm*
Too many people to ache over
Dm *G* *F*
Newborn life replacing all of us,
C *Dm*
Changing this fable we live in
G *F* *C*
No longer needed here so where do we go?
Dm *G* *F*
Will you take a journey tonight,
C *Dm*
Follow me past the walls of death?

G F C
 But girl, what if there is no eternal life?
 G C
 I see my vision burn,
 F
 I feel my memories fade with time
 C Dm
 But I'm too young to worry
 A#
 A melody, a memory, or just one picture
 Dm F G
 Seize the day or die regretting the time you lost
 F A#
 It's empty and cold without you here,
 C Dm
 Too many people to ache over
 Dm F G
 Trials in life, questions of us existing here,
 F A#
 Don't want to die alone without you here
 C Dm
 Please tell me what we have is real

 F C Dm
 So, What if I never hold you, yeah,
 A# F
 Or kiss you lips again? Woooahh
 C
 So, I never want to leave you
 A#
 And the memories for us to see

 I beg don't leave me
 Dm F G
 Seize the day or die regretting the time you lost
 F A#
 It's empty and cold without you here,
 C Dm
 Too many people to ache over
 Dm F G
 Trials in life, questions of us existing here,

 Silence, you lost me, no chance for one more day
