

D
Mmmmm
A G
Yeah yeah

D A G
Baby, please try to forgive me
D A G
Stay here, don't put out the glow
D
Hold me now, don't bother
A G
If every minute makes me weaker
Bm E
You can save me from the man that I become
G
Oh yeah

D G
Looking back on the things I've done
A Fm
I was trying to be someone
Bm
I played my part
E
And kept you in the dark
G A D
Now let me show you the shape of my heart

D
Sadness is beautiful
A G
Loneliness is tragical
D A G
So help me, I can't win this war
D
Touch me now don't bother
A G
If every second makes me weaker
Bm E
You can save me from the man I've become

D G
Looking back on the things I've done
A Fm
I was trying to be someone
Bm
I played my part
E
And kept you in the dark
G Fm D
Now let me show you the shape of my heart

Bm A D G

I hear with my confession

Bm A D G

Got nothing to hide no more

Em Fm

I don't know where to start

Em Fm D

But to show you the shape of my heart

E A

I'm looking back on things I've done

B G#m

I never wanna play the same old part

C#m F

And keep you in the dark

A B E

Now let me show you the shape of my heart

E A

Looking back on the things I've done

B G#m

I was trying to be someone

C#m

I played my part

F#

And kept you in the dark

A B E

Now let me show you the shape of my heart
