

G
Girl you got style
D
That's what I love about you
Em D
The way that you sit back (oh, how you sit back)
C
And watch this grow
G
You got dreams
D
And therefore I believe in you
Em
All the small town people with their big remarks
C
They ain't got jack to say about my movie star
G
She's got style

G D Em C D x2

G
If its not the fact that I'm a wee bit younger
F#
Or the truth that I'm so naive
Em
My heart keeps leaping back to you
C D
Like a dog tied to a tree
G
I know it sounds crazy
F#
Its ridiculous to me
Em C
But without you by my side girl

A
You might think I'm incapable
C
Of loving a soul like yours
A
You might think I'm a fool
C
For you

G
Girl you got style
D
That's what I love about you
Em D
The way that you sit back (oh, how you sit back)
C
And watch this grow
G

You got dreams

D

And therefore I believe in you

Em

All the small town people with their big remarks

C

They ain't got jack to say about my movie star

Em D

G *D* *Em D G F#*

What are the odds of finding someone just like you

Em

D

Tell me why I never wanted to go back home

G

F#

I'm still falling for you today
