Intro: *Bm A G A*

Verse 1:
```
        Bm        A
```
If only you could see the tears
```
        G       Bm
```
In the world you left behind
```
        G       A
```
If only you could heal my heart
```
        Bm
```
Just one more time
```
        G       A
```
Even when I close my eyes
```
        G       Bm
```
There's an image of your face
```
        G       A
```
And once again I come to realise
```
        G         F#
```
You're a loss I can't replace

Chorus

```
  Bm
```
Soledad
```
        G        A
```
It's a keeping for the lonely
```
        G            Bm
```
Since the day that you were gone
```
            F#
```
Why did you leave me
```
  Bm
```
Soledad
```
        G            A
```
In my heart you were the only
```
        G       Bm
```
And your memory lives on
```
            F#
```
Why did you leave me
```
  Bm
```
Soledad

Verse 2
```
          G
```
Walking down the streets
```
    A
```
Of Nothing Ville
```
        G               Bm
```
Where our love was young and free
```
            G           A
```
Can't believe just what an empty place
```
        Bm
```
It has come to be
```
          G     A
```
I would give my life away

```
      G        Bm
If it could only be the same
               G     A
Cause I can't still the voice inside of me
      G           F#
That is calling out your name

Chorus

  Bm
Soledad
        G         A
It's a keeping for the lonely
        G           Bm
Since the day that you were gone
            F#
Why did you leave me
  Bm
Soledad
        G           A
In my heart you were the only
        G        Bm
And your memory lives on
             F#
Why did you leave me
   Bm
Soledad

Bridge

      F#m         G          Bm
Time will never change the things you told me
      G         A
After all we're meant to be
F#           Bm         G
Love will bring us back to you and me
    F#
If only you could see

Repeat Chorus
