C

Wake up the world is yours

∖m I

Get lost, find a new course

C G

I'm gone, it's easier to clouse the door

0m C

I thought I loved it but my heart can't take no more

? (

Stand up, blindfold your eyes

Am I

You'll see, you'll be surprised

C

For too long I've been the same

Am

Time to explore

Dm C

I thought I loved it but my heart can't take no more

C G

I'm on the road that leads me nowere

Am I

Shattered but I don't care

C G

I known the truth awaits me out there

Am F Dm

Don't try to reach I've gone somewhere

Too late my time is up

And I know, you'll never stop

Always

Until the end

You'll be my friend

I must admit it that my heart can't take no

I can't deny it and I cannot fake no...

I'm sick and tired and I just can't wait no more, no more

G Am F

I know, it's gonna change

I'm on the road that leads me nowere

Shattered but I don't care

I known the truth awaits me out there

Don't try to reach I've gone somewhere
