

*Eb* *Ab*  
Hey I'm looking out for my star girl

I guess I'm stuck in this mad world

*Eb* *Ab*  
There's things that I wanna say

*Eb*  
But you're a million miles away

*Ab*  
And I was afraid when you kissed me

On your intergalactical Frisbee

I wonder why, I wonder why

*Bb*  
You never asked me to stay  
(No Chord)

(Oooooooooooooooooohhhh)

*Eb* *Ab* *Bb*  
So wouldn't you like to come with me?

(Oooooooooooooooooohhhh)

*Eb* *Ab* *Bb*  
Go surf in the sun as it starts to rise

(Oooooooooooooooooohhhh)

*Eb* *Ab* *Bb*  
Woahhh your gravity's making me dizzy

*Ab*  
Girl I gotta tell you I feel much better

*Eb*  
Make a little love under the moonlight

*Ab*  
Hey there's nothing on earth that could save us

When I fell in love with your aranus

*Eb* *Ab*  
I don't wanna give you away

*Eb*  
Coz it makes no sense at all

*Ab*  
Coz you say we got a problem

And ground control couldn't stop them

I wonder why, I wonder why

*Bb*  
You never asked me to stay

(Oooooooooooooooooohhhh)

*Eb* *Ab* *Bb*  
So wouldn't you like to come with me?
