            G
Summer stretching on the grass
F
         Em
Summer dresses pass
Am
         G
In the shade of a willow tree
F
          Em
Creeps a crawling over me
Am
         G
Over me and over you
F
         Em
Stuck together with God`s glue
Am
            G
It's going to get stickier too
F
It's been a long hot summer
F
Let's get under the covers
F
Don`t try too hard to think
F(fret 3)
Don`t think at all
          С
I`m not the only one
        Am
Starin` at the sun
            F
Afraid of what you'd find
           G
If you took a look inside
          С
Not just deaf and dumb
        Am
Staring at the sun
       F
Not the only one
          G
Who's happy to go blind
```

```
Am D x2

(Just continue with the same chords through out the song)

There's an insect in your ear If you scratch it won't disappear It's gonna itch and burn and sting Do you want to see what the scratching brings Waves that leave me out of reach Breaking on your back like a beach Will we ever live in peace? 'Cause those that can't do often have to Those that can't do often have to preach To the ones staring at the sun Afraid of what you`d find If you took a look inside Not just deaf and dumb Staring at the sun I`m not the only one Who`s happy to go blind

Intransigence is all around Military still in town Armour plated suits and ties Daddy just won`t say goodbye Referee won`t blow the whistle God is good but will he listen I`m nearly great But there`s something I`m missing I left in the duty free Though you never really belonged to me

You`re not the only one Starin` at the sun Afraid of what you`d find If you stepped back inside I`m not sucking my thumb I`m staring at the sun Not the only one Who`s happy to go blind
