

*Em*  
Don't turn away  
*Am*  
I need your love  
*D*  
'Cause you're the only one  
*Em*  
That I've been dreaming of  
*Em*  
Don't turn away

*Am*  
Don't close the door  
*D*  
'Cause you're the only one  
*Em*  
That I've been hoping for  
*Am*  
Come hold me tight  
*Em*  
I need your light  
*B7*  
Just come and take me  
*Em*  
To the place I long to be  
*Am*  
Stay with me  
*D*  
Love is all I'm praying for  
*EM7*  
Stay with me

Give me strenght to carry on  
*Am*  
Stay with me  
*C*  
And hearts will surely  
*G Em*  
Find the way to go  
*Am*  
Stay with me  
*B7*  
Be my shelter  
*Em*  
When the angels dissappear
