Verse 1:
```
   Bbm           F#       G#          C#
```
I've known a few guys who thought they were pretty smart
```
   Bbm         F#    G#       C#
```
But you've got being right down to an art
```
   Bbm          F#              G#       C#
```
You think you're a genius -- you drive me up the wall
```
       Bbm      F#      G#       C#
```
You're a regular original, a know-it-all

Bridge:
```
D#    Bb     G#
```
Oh-oo-oh, you think you're special
```
D#    Bb     G#
```
Oh-oo-oh, you think you're something else

Okay, so you're a rocket scientist

Chorus:
```
         Bm#       F#       G#    C#
```
That don't impress me much

```
   F#       C#                   G#  Bbm
```
So you got the brain but have you got the touch
```
F#          C#          G#          Bbm
```
Don't get me wrong, yeah I think you're alright
```
   F#             C#         G#
```
But that won't keep me warm in the middle of the night
```
                 Bbm    F#  G#   C#     Bbm    F#  G#   C#
```
That don't impress me much

Verse 2

```
   Bbm        F#            G#          C#
```
I never knew a guy who carried a mirror in his pocket
```
      Bbm        F#     G#       C#
```
And a comb up his sleeve -- just in case
```
       Bbm       F#        G#         C#
```
All that extra hold gell in his hair oughtta lock it
```
      Bbm      F#           G#         C#
```
'Cause Heaven forbid that it should fall out of place

(Bridge)

Okay, so you're Brad Pitt

Chorus:

```
        Bbm       F#      G#    C#
```
That don't impress me much
```
   F#        C#           G#      Bbm
```
So you got the looks but have you got the touch
```
F#          C#          G#          Bbm
```
Don't get me wrong, yeah I think you're alright

```
  F#           C#       G#
```
But that won't keep me warm in the middle of the night
```
    Bbm  F#  G#  C#
```
That don't impress me much
