G
One day I woke up
I woke knowing
Today is the day
I will die
Cashdog was barking
                             G
Went to the park and enjoyed it one last time
Bm
I called my mother, told her I loved her
And I begged her not to cry
G
I wrote a letter
I said I'd miss her
And I signed that Goodbye
CHORUS:
                     С
You know the happiest day of my life
I swear the happiest day of my life
N.C
Is the day that I die
Can you feel the cold tonight (the day that I die)
Am
It sets in, but it's alright (the day that I die)
G
The darkness falls, I'm letting go (the day that I die)
All alone but I feel fine (the day that I die)
G
We took a drive and we drove to D.C.
              G
To see the places we live
Our conversations we talked of old friends
            G
And all the things that we did
```
