

E
Summer after high school when we first met
Abm
We make out in your mustang to radio head
C#m *A*
And on my 18th birthday we bought matching tattoos
E
Used to steal your parent's liquor and climb to the roof
Abm
Talk about our future like we had a clue
C#m *A*
Never planned that one day I'd be losing you

E *Abm*
In another life I would be your girl
C#m *A*
We keep all our promises be us against the world
E *Abm*
In another life I would make you stay
C#m *A*
So I don't have to say you were the one that got away
The one that got away

E
I was June you were my Johnny Cash
Abm
Never one without the other we made a pact
C#m *A*
Sometimes when I miss you I put those records on
E
Someone said you had your tattoo removed
Abm
Saw you downtown singing the blues
C#m *A*
It's time to face the music I'm no longer your muse

E *Abm*
In another life I would be your girl
C#m *A*
We keep all our promises be us against the world
E *Abm*
In another life I would make you stay
C#m *A*
So I don't have to say you were the one that got away
The one that got away

E *Abm* *C#m* *A*
The one the one the one the one that got away

B *C#m* *A*
All his money can't buy me a time machine no
B *C#m* *A*
Can't replace you with a million rings no
B *C#m* *A*

I shoulda told you what you meant to me woah

B

Cause now I pay the price

E *Abm*

In another life I would be your girl

C#m *A*

We keep all our promises be us against the world

E *Abm*

In another life I would make you stay

C#m *A*

So I don't have to say you were the one that got away

The one that got away

E *Abm* *C#m* *A*

The one the one the one

E *Abm*

In another life I would make you stay

C#m *A*

So I don't have to say you were the one that got away

E---- (strum once and let it ring)

The one that got away
