We're all grieving Lost and bleeding

Dm Am G
All your lies I'm not believing

G Am Em
Heaven shine a light down on me

So afraid to open your eyes- hypnotized
You know you're not the only one
Never understood this life
And you're right I don't deserve but you know I'm not the only one

Dm
Don't look down
Am Em
Don't look into the eyes of the world beneath you

Dm G
Don't look down, you'll fall down,

Am Em
You'll become their sacrifice

Dm
Right or wrong
Am Em
Can't hold onto the fear that I'm lost without you

Am G
If I can't feel, I'm not mine,

Em
I'm not real
