*Dm Am*

*Dm Am Em G Dm Am*

(You know you're not the only one)

*Dm Am*

When they all come crashing down- midflight

*Dm Am Em G Dm Am*

You know you're not the only one

*Dm Am*

When they're so alone they find a back door out of life

*Dm Am Em G Dm Am*

You know you're not the only one

*G Em Am Dm*

We're all grieving Lost and bleeding

*Dm Am G*

All our lives we've been waiting

*G Em Am*

For someone to call our leader

*Dm Am G*

All your lies I'm not believing

*G Am Em*

Heaven shine a light down on me

So afraid to open your eyes- hypnotized

You know you're not the only one

Never understood this life

And you're right I don't deserve but you know I'm not the only one

*Dm*

Don't look down

*Am Em*

Don't look into the eyes of the world beneath you

*Dm G*

Don't look down, you'll fall down,

*Am Em*

You'll become their sacrifice

*Dm*

Right or wrong

*Am Em*

Can't hold onto the fear that I'm lost without you

*Am G*

If I can't feel, I'm not mine,

*Em*

I'm not real
