

*Am*

Ask me where I'm going to

*C*

Coz I'm not going back

*Am*

Ask me where I'm coming from

*C*

I burried all my tracks

*A G A G*

The other side is on my side

*Am*

Ask me while I'll give you back

*C*

I can't see in the dark

*Am*

Give me night I'll love you back

*C*

I do not feed the sharks

*A G A G*

The other side is on my side

*A G A G*

The other side is on my side
