

Am F C G

Am F C E

Am F C G

I am the passenger

Am F C E

And I ride and I ride

Am F C G

I ride through the city's backside

Am F C E

I see the stars come out of the sky

Am F C G

Yeah, they're bright in a hollow sky

Am F C E

You know it looks so good tonight

Am F C G

Am F C E ( X2 )

Am F C G

I am the passenger

Am F C E

I stay under glass

Am F C G

I look through my window so bright

Am F C E

I see the stars come out tonight

Am F C G

I see the bright and hollow sky

Am F C E

Over the city's a rip in the sky

Am F C G

And everything looks good tonight

Am F C E

Am F C G

Singin' la la la la-la-la la

Am F C E

La la la la-la-la la

Am F C G

La la la la-la-la la-la-la

Am F C E...

Get into the car

We'll be the passenger

We'll ride through the city tonight

See the city's ripped insides

We'll see the bright and hollow sky

We'll see the stars that shine so bright

The sky was made for us tonight

Oh the passenger

How how he rides

Oh the passenger  
He rides and he rides  
He looks through his window  
What does he see?  
He sees the bright and hollow sky  
He see the stars come out tonight  
He sees the city's ripped backsides  
He sees the winding ocean drive  
And everything was made for you and me  
All of it was made for you and me  
'cause it just belongs to you and me  
So let's take a ride and see what's mine  
Singing...  
Oh, the passenger  
He rides and he rides  
He sees things from under glass  
He looks through his window's eye  
He sees the things he knows are his  
He sees the bright and hollow sky  
He sees the city asleep at night  
He sees the stars are out tonight  
And all of it is yours and mine  
And all of it is yours and mine  
Oh, let's ride and ride and ride and ride...  
Singing..
