

Am F C G
Am F C E

Am F C G
I am the passenger
Am F C E
And I ride and I ride
Am F C G
I ride through the city's backside
Am F C E
I see the stars come out of the sky
Am F C G
Yeah, they're bright in a hollow sky
Am F C E
You know it looks so good tonight

Am F C G
Am F C E (X2)

Am F C G
I am the passenger
Am F C E
I stay under glass
Am F C G
I look through my window so bright
Am F C E
I see the stars come out tonight
Am F C G
I see the bright and hollow sky
Am F C E
Over the city's a rip in the sky
Am F C G
And everything looks good tonight

Am F C E

Am F C G
Singin' la la la la-la-la la
Am F C E
La la la la-la-la la
Am F C G
La la la la-la-la la-la

Am F C E...

Get into the car
We'll be the passenger
We'll ride through the city tonight
See the city's ripped insides
We'll see the bright and hollow sky
We'll see the stars that shine so bright
The sky was made for us tonight
Oh the passenger
How how he rides

Oh the passenger
He rides and he rides
He looks through his window
What does he see?
He sees the bright and hollow sky
He see the stars come out tonight
He sees the city's ripped backsides
He sees the winding ocean drive
And everything was made for you and me
All of it was made for you and me
'cause it just belongs to you and me
So let's take a ride and see what's mine
Singing...

Oh, the passenger
He rides and he rides
He sees things from under glass
He looks through his window's eye
He sees the things he knows are his
He sees the bright and hollow sky
He sees the city asleep at night
He sees the stars are out tonight
And all of it is yours and mine
And all of it is yours and mine
Oh, let's ride and ride and ride and ride...
Singing..
