

A            A7            D  
The clouds are sitting on the wall  
A            A7    D    Dm  
Waiting for the sky to fall  
A            A7            D            Dm  
They're just happy sitting waiting  
A            E            A  
But i dont wanna be alone

E            A  
How could this be  
C#            D  
They all around us  
E            A            C#            D  
The mirrors on the wall look down on me  
E            A            C#            F#m  
The people that we love are tired of running  
D            Dm            A  
They always run out on me.
