

INTRO: *Em Am D Bm C Am D B*

Em Am D

She never took the train alone

Bm C

she hated being on her own

Am D

She always took me by the hands

B

and say she needs me

Em Am D

She never wanted love to fail

Bm C

she always hoped that it was real

Am D

She'd look me in the eyes and say believe me

Em Am D

And then the night becomes the day

Bm C

and there's nothing left to say

Am D

If there's nothing left to say

B Em

then something's wrong

Em Am D Bm

Ohhh tonight you killed me with your smile

C Am B

so beautiful and wild so beautiful

Em Am D Bm

Oh tonight you killed me with your smile

C Am B Em

so beautiful and wild so beautiful and wild

Em Am D

And as the hands would turn with time

Bm C

she'd always say that she was my mine

Am D

She'd turn and lend a smile to say that she's gone

Em Am D Bm C

But in a whisper she'd arrive and dance into my life

Am D B Em

Like a music melody like a lovers song

Em Am D Bm

Ohhh tonight you killed me with your smile

C Am B

so beautiful and wild so beautiful

Em Am D Bm

Oh tonight you killed me with your smile

C Am B Em

so beautiful and wild so beautiful and wild

B *Em*
Through the darkest night
B *Em*
comes the brightest light
B *Em*
And the light that shines
 Em
is deep inside
 B
It's who you are

Em *Am* *D* *Bm*
Ohhh tonight you killed me with your smile
 C *Am* *B*
so beautiful and wild so beautiful
Em *Am* *D* *Bm* x2
Oh tonight you killed me with your smile
 C *Am* *B* *Em*
so beautiful and wild so beautiful and wild
