

*Bm C D G X2*

Na na na na na

*Bm C*

Take a look around

*D G*

Who would have thought we'd all be here?

*Bm C*

So let's mess around

*D G*

Cuz the future is unclear

*Bm C*

We got nothin' better to do

*D G*

We're just tryin' to get through

*Bm C*

Can you hear me?

*D G*

Can you hear me?

*C G*

Let the music groove you

*D G*

Let the melody move you

*C G*

Feel the beat and just let go

*D G*

Get the rhythm into your soul

*C G*

Let the music take you

*D G*

Anywhere it wants to

*C G*

When we're stuck and can't get free,

*D G*

No matter what, we'll still be singing

*Bm C*

Come on, come on, turn up the music

*D G*

It's all, we got, we're gonna use it

*Bm C*

Come on, come on, turn up the music

*D*

Yeah
