

G
Well there ain't no point in moving on
 Gsus4
Until you've got somewhere to go
 G
And the road that I have walked upon
 Gsus4
Well it filled my pockets
 G
And emptied out my soul

Gsus4 G Gsus4

G
All those insecurities,
 Gsus4
That have held me down for so long,
 G
Can't say I've found a cure for these,
 Gsus4
But at least I know them, so they're not so strong,

D
You look for your dreams in heaven,
 C
But what the hell are you supposed to do,
 G
When they come true?

Gsus4 G Gsus4

G *Gsus4*
Well there's one year of my life in these songs,
 G *Gsus4*
And some of them are about you
 G *Gsus4*
Now I know there's no way I can right those wrongs
 G
Believe me
 Gsus4
I would not lie you've hurt my pride

D
And I guess there's a road without you

But you once said
 C
There's a way back for every man
 G *Gsus4*

So here I am
 G
Don't people change, here I am
 Gsus4
Is it too late to try again

G

Here I am
