

C *Am*
As you go through life you'll see
F
There is so much that we
C G
Don't understand

C *Am*
And the only thing we know
F
Is things don't always go
C G
The way we planned

G C Dm
But you'll see every day
Bb C
That we'll never turn away
Am F G

G C Dm
We will stand by your side
Bb C Am

F G
We are more than we are
C
We are one

C F G x2

C *Am*
If there's so much I must be
F
Can I still just be me
C G
The way I am?

C *Am*
Can I trust in my own heart
F
Or am I just one part
C G
Of some big plan?

G C Dm
Even those who are gone
Bb C
Are with us as we go on
Am F G
Your journey has only begun
