

*G C D G*

There comes a time when we heed a certain call

*C D G*

When the world must come together as one

*Em*

There are people dying

*D C D*

And it's time to lend a hand to live, The greatest gift of all

*G C D G*

We can't go on pretending day by day

*C D G*

That someone, somewhere will soon make a change

*Em D*

We are all a part of God's great big family

*C D*

And the truth, you know, Love is all we need

Chorus:

*C D G*

We are the World, we are the children

*C D G*

We are the ones who make a brighter day so let's start giving

*Em D*

There's a choice we're making, We're saving our own lives

*C D G*

It's true we'll make a better day, just you and me

*G C D G*

Send them your heart so they'll know that someone cares

*C D G*

And their lives will be stronger and free

*Em D*

As God has shown us by turning stones to bread

*C D*

So we all must lend a helping hand

Repeat Chorus:

*Cm D G*

When you're down and out, there seems no hope at all

*Cm D G*

But if you just believe there's no way we can fall

*Em D*

Let us realize that a change can only come

*C D*

When we stand together as one
