

Intro: *Am* x4

*Am* *C*  
A blinding flash of white light  
*G* *Am*  
Lit up the sky over Gaza tonight  
*Am* *C*  
People running for cover  
*G* *Am*  
Not knowing whether they're dead or alive

*Dm* *Am*  
They came with their tanks and their planes  
*Dm* *Am*  
With ravaging fiery flames  
*Dm* *F*  
And nothing remains  
*C* *G*  
Just a voice rising up in the smoky haze

*F* *C*  
We will not go down  
*Am* *G*  
In the night, without a fight  
*F* *C*  
You can burn up our mosques and our homes and our schools  
*Am* *G*  
But our spirit will never die  
*Am* *G*  
We will not go down  
*Am*  
In Gaza tonight

*Am* *C*  
Women and children alike  
*G* *Am*  
Murdered and massacred night after night  
*Am* *C*  
While the so-called leaders of countries afar  
*G* *Am*  
Debated on who's wrong or right

*Dm* *Am*  
But their powerless words were in vain  
*Dm* *Am*  
And the bombs fell down like acid rain  
*G* *Am*  
But through the tears and the blood and the pain  
*C* *Em*  
You can still hear that voice through the smoky haze

*F* *C*  
We will not go down
