

I heard you crying loud
All the way across town
You've been searchin' for that someone and it's me out prowl
As you sit around feeling sorry for yourself
Don't get lonely now,
Dry your whining eyes
I'm just roaming for the moment sleazing my backyard so uptight you
So upthight you thinking about ditching me...

 No time to search the world around

 'cause you know where i'll be found

I heard it all before,
So don't knock down my door
I'm a loser and a user so I don't need no accuser
To drag and slag me down 'cause I know I'm right
So go do what you like
Make sure you do it wise
You may find out your self doubts means nothing was ever there
You can't go forcing something if it's just not right..
