When I stop dreaming, that when I'll stop loving you...

The worst that I've ever been hurt in my life

G D

the first time I ever have wanted to die.

Was the night when you told me you love someone else

and asked if I could forget.

When I stop dreaming, that's when I'll stop wanting you.

I'd be like a flower, unwanted in spring  
alone and neglected, transplanted in vain  
to a garden of sadness, where its petals would fall  
in the shadows of undying pain.

When I stop dreaming, that's when I'll stop thinking of you

You may teach the flowers to bloom in the spring  
you may take a petal and teach it to grow  
you may teach all the raindrops to return to the clouds  
but you can't teach my heart to forget.

When I stop dreaming, That's when I'll stop cryin' for you
