Am Sinking and suffocating Fm The walls are crumbling from within me Am Some thing's left best unspoken Am Fm And still this truth has broken me Ε Fm I can't believe it's true Am No one to blame but you Am Fate less and feeling lonely Fm No tears for this, I'll only cry Ε Fm To someone else, the lie G That there's no one else Am A story only time will tell Am I'm trapped inside a wishing well Am G Living as a ghost in my own hell I'm trapped inside a wishing well Am Enforce the years of hatred Fm For everything I know to be The part of me Am To many prayers unanswered Am Fm To many questions seen as sin Ε Fm Just quietly give in Well I never will again Αm G A story only time will tell Am I'm trapped inside a wishing well

Living as a ghost in my own hell

G Am G (Am Fm G Am x2)

I'm trapped inside a wishing well Ooooooo

G

Am

Fm E
Just quietly give in
Fm G
Well I never will again

Am G

A story only time will tell

G Am

I'm trapped inside a wishing well
