

*Am*                    *G*            *Am*  
As soon as you're born they make you feel small

*G*            *Am*  
By giving you no time instead of it all

*G*            *Am*  
Till the pain is so big you feel nothing at all

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*                    *G*            *Am*  
They hurt you at home and they hit you at school

*G*            *Am*  
They hate you if you're clever and they despise a fool

*G*            *Am*  
Till you're so fucking crazy you can't follow their rules

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*            *G*            *Am*  
When they've tortured and scared you for twenty odd years

*G*            *Am*  
Then they expect you to pick a career

*G*            *Am*  
When you can't really function you're so full of fear

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*                    *G*            *Am*  
Keep you doped with religion and sex and TV

*G*            *Am*  
And you think you're so clever and classless and free

*G*            *Am*  
But you're still fucking peasants as far as I can see

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am*                    *G*            *Am*  
A working class hero is something to be

*Am* *G*            *Am*  
There's room at the top they are telling you still

*G*            *Am*  
But first you must learn how to smile as you kill

*G*            *Am*  
If you want to be like the folks on the hill

*Am*                    *G*        *Am*  
A working class hero is something to be

*Am*                    *G*        *Am*  
A working class hero is something to be

*Am*                    *G*        *Am*  
If you want to be a hero well just follow me

*Am*                    *G*        *Am*  
If you want to be a hero well just follow me
