G

High above the mountains

C

Far across the sea

Em

I can hear your voice

D

Callin' out to me

G

Brighter than the sun

C

And darker than the night

Em

I can see your love

D

Shinin' like a light

Em C G D

And on and on this earth spins like a carrousel

Em C

If I could travel across the world

Em C (pause)

The secrets I would tell

G Em C D

You and I were meant to fly

G Em

Higher than the clouds

D C

We'll sail across the sky

G Em

So come with me

C D

And you will feel

Em C

That we're soaring

Em C

That we're floating up so high

G C D Em G

'cause you and I were meant to fly

G

Sailing like a bird

C

High on the wings of love

Em

Take me higher than

D

All the stars above
