Intro

C Cm7 G

C Cm7 G D

G

High above the mountains *C* Far across the sea *Em* I can hear your voice *D* Callin' out to me

G

Brighter than the sun *C* And darker than the night *Em* I can see your love *D* Shinin' like a light

Em C G D

And on and on this earth spins like a carrousel *Em C* If I could travel across the world *Em C* (pause) The secrets I would tell

G Em C D You and I were meant to fly

G Em Higher than the clouds D С We'll sail across the sky G Em So come with me С D And you will feel Em C That we're soaring Em С That we're floating up so high G C D Em G 'cause you and I were meant to fly

G

Sailing like a bird CHigh on the wings of love EmTake me higher than DAll the stars above EmCGDI'm burnin', yearnin', gently turnin' round and roundEmCI'm always rising up
EmCI never want to come back down

G Em C D You and I were meant to fly G Em Higher than the clouds D C We'll sail across the sky G Em So come with me С D And you will feel Em C That we're soaring С Em That we're floating up so high G C D G Em D 'cause you and I were meant to fly, i i i

Gm Cm F Fly,iii

G Em C D You and I were meant to fly G Em Higher than the clouds D С We'll sail across the sky G Em So come with me С D And you will feel С D C D Em C D That you and I were meant to fly, i i С G You and I were meant to fly
