You're a fire and desire

When I kiss your lips, you know, you take me higher

You're addiction, my conviction

You're my passion, my relief, my crucifixion

Never leave me and believe me

You will be the sun into my raining season

Never leave me and believe me

In my empty life you'll be the only reason

You're the one,you're my number one

The only treasure I'll ever have

You're the one you're my number one

Anyting for you cause you're the one I love
